UPDATE FROM THE DESK OF JAMES BAUDER -ORGANIZER FOR CANADA UNITY CONVOY FOR FREEDOM.

Cst. Isabelle Cyr-Pidcock

Ottawa Police Service, Special Events/Événements spéciaux

September 15, 2021

Dear Constable Isabelle Cyr-Pidcock;

Thank you for reaching out to us, Canada Unity, about our upcoming Convoy to Ottawa.

We have had to change some plans and as a result the convoy has been pushed back a bit. We have not officially nailed down an exact arrival date. We are anticipating by early October 2021 that will be launching so we should be in Ottawa somewhere in the first part of October.

Our Theme is "We are Bringing the Law Back to Ottawa". As a Police department, I am confident you are aware how Ottawa has totally abandoned the law and decided that politicians, and corporations now rule Canadians with illegal mandates that don't stand up in court. We know the desire for a vax passport that our politicians and big corporations are pushing violates all types of Canadian laws and we are not going to take it laying down without a legal battle that we the PEOPLE of Canada WILL WIN.

If your department is interested in helping with road closures and security aspects like keeping antifa at check, but to allow the convoy safe passage, as you should, as you have taken an oath to uphold the law of this country, we would appreciate it. We could then, in conjunction with your department work out a safe route through and around the Ottawa downtown core. We plan on stopping at City Hall, CBC, Global, CTV for press statements. We are not leaving Ottawa until the LAW is upheld by our elected Canadian Government. The more our elected servants dig in and deny or decide they can play political games, the more trucks will keep coming, and they won't stop coming until Ottawa politicians come to their legal senses and admit that have no power anymore over Canadians. The Vax Passport Mandate that is being pushed upon Canadians illegally by Ottawa politicians will come to a FULL STOP or the Convoy will simply consume every street in Ottawa until all notion of the illegal vax passport is abolished CANADA WIDE.

We will be a very large group, consisting of every size vehicle, backed, and supported by over 500,000 businesses and Millions of Canadians. We would be very encouraged if we could count on your Local support with this Canada Unity Convoy for Freedom. We will be reaching out to other Canadian departments once we have a confirmed arrival date. We fully support Police on Guard for Thee – Over 100,000 members that are in full Agreement that the Law needs to be returned to Ottawa and enough with this tyrannical GOV that has thrown the Law and Canadians under the bus. These law-breaking politicians have forgotten they work for Canadians not the other way around –

misconduct and the number of LAWS they have violated and that their lawlessness will not be permitted anymore.

Yes, massive lawsuits are going to be filed in Ottawa directed at CEO's, Presidents, VPs, Board of Directors, to the extent and level this country has never seen before – LONG OVERDUE!!!

Thank you, I look forward to hearing from you.

Sincerely,

James Bauder – Organizer for Canada Unity Convoy for Freedoms

Thank you for doing this! Will the convoy potentially mean disruption of deliveries? I'm on Vancouver Island. I'm happy for disruption in the name of freedom! Just want to warn my friends and family to stock up on supplies. 🙄
